		SECRET 25X1A 25X	X1
25X1A	(1)	Comments. According to previous reports, the airfield is occupied by a ground	
25X1A 25X1B	(2)	attack regiment and an air reconnaissance unit equipped with Pe-2s and Tu-2s. The occupation has apparently not changed. Units were believed to belong to technical units of the Soviet Air Force (avio-technical battalion - ATB?). This assumption is partially confirmed by the above information.	•
25X1B 25X1A		was last observed on 22 April 1950 during shipments in Boetzow, the railroad station of Schoenwalde. The occupation by army units was previously reported. The transfer of a unit from Schoenwalde to Staaken was previously reported.	1A
25X1A	(4)	The transfer of a unit from Denoematus to Staanen was in evidually reported.	
25X1B	(5) (6)	The information that the ground attack aircraft came from Cottbus is
